Twitter

Battling [censorship](#), the #pizzagate meme would be replaced with others such as #Jesus, considered effective around the holidays and Christmas. Alternatives: #SonofMan, #SonofGod, #Immanuel, #Messiah, #SecondComing, #Christ, #KingoftheJews, #INRI, #islam, #usarmy, #HumanTrafficking, #fakenews, combined with Pizzagate related facts. This idea emerged in response to the deleted #pizzagate hashtags on Twitter, and could either be used in effect to spread

Pizzagate under a different moniker (to a wider audience, or circumventing censorship), to explore to what extent the censorship is applied, or to demonstrate to unsuspecting people that their favorite hashtags appear disallowed, which depending on their meaning can cause controversy.
